

Attachment A

Proposed Pesticide Free Implementation

Facility Name	Maint Mode	Acres Maintained	Pesticide free possible date	Challenges that will need to be overcome to make area pesticide free (additional research needed)
Parks & Nature Areas				
District #1				
KANZA Southwind Nature Preserve	6	18.0	2005	
McGrew Nature Preserve	6	15.0	2005	
Green Meadows Park	6	15.0	2005	
Quail Run Park	6	5.0	2005	
1612 Acre Park / Open areas	6	1000.0	2005	
1612 Acre Park / Mutt Run Dog Park	5	30.0	2005	
Pat Dawson Billings Nature Area	6	40.0	2005	
1612 Acre Park / Sesquicentennial Point	5	5.0	2005	
Heatherwood Trail	5	5.0	2005	
SLT Trail	5	15.0	2005	
1612 Acre Park / Outlet Park	5	20.0	2008***	Soccer field development -weed control in turf
1612 Acre Park / Rotary Arboretum	5	15.0	2008***	Turf development - weed competition / noxious weeds
Holcom Park (also see special use areas section)	4	15.0	2008***	weeds blowing to adjacent properties, Round-up around fences and trees
Dad Perry Park (developed area only) (30.4 acres Mode 6)	4	14.6	2008***	Bindweed (noxious weed) is a major problem in this park
Dad Perry Park (undeveloped area)	6	30.4	2008***	Tick infestation on trail (many public requests for spraying)
Clinton Parkway Trail (Trail Only)	6	14.0		Noxious weeds in unmowable areas
Athletic Fields & Complexes				
Clinton Lake Softball Complex	3	15.0	2009***	Grubs control in turf & round-up is needed fence lines & warning tracks
Holcom Sports Complex	3	14.0	2009***	Grubs control in turf & round-up is needed fence lines & warning tracks
YSI Complex	4	52.0	2009***	Round-up is used to kill fields before rehab of turf
Lyons Park Softball Complex	4	1.0	2009***	Mole control & round-up is needed for fences lines
Broken Arrow Baseball Field	4	0.5	2009***	Round-up is used to edge fences and backstops areas
Broken Arrow Practice fields	5	0.5	2009***	Round-up is used to edge fences and backstops areas
Hobbs Softball Field	4	0.5	2009***	Round-up is used to edge fences and backstops areas
Holcom Park Practice Fields	5	1.5	2009***	Round-up is used to edge fences and backstops areas
Lawrence High Practice field	4	1.5	2009***	Round-up is used to edge fences and backstops areas
Sunset School Practice field	5	0.5	2008***	Round-up is used to edge fences and backstops areas
Holcom Soccer Practice Fields	4	4.0	2009***	Round-up is used to edge fences and backstops areas
Future Parks				
N 1750 Rd Near K-10 & Turnpike	6	40.0	2005	
Northwest of Folks & Peterson	6	97.0	2005	
27th & Crossgate (north of 27th angles to Inverness)	6	15.0	2005	
Greenbelt Park (W 15th & George Williams Way)	6	18.0	2008***	Thistle (noxious weed) is a major problem in this park
North of Overland Drive and Congressional Dr	6	30.0	2008***	Thistle (noxious weed) is a major problem in this park
Contract Mowing List				
Heatherwood Trail			2005	
Heatherwood Lot			2005	
SLT trail - Iowa to Dam			2005	
Area near Langston Hughes School			2005	
McGrew Trail			2005	
Indoor Door Aquatic Center			2008***	
Inverness from 23rd to 27th				Broadleaf weed seeds blowing to adjacent properties, Round-up around signs & rails
Kasold Islands 6th to 24th				Broadleaf weed seeds blowing to adjacent properties, Round-up around signs & rails
15th street islands Iowa to Wakarusa				Broadleaf weed seeds blowing to adjacent properties, Round-up around signs & rails
Clinton Parkway Ditch- South Near Sport 2 Sport				Businesses often complain about weeds in front of their areas
Open space near Clinton Parkway and Kasold				Businesses often complain about weeds in front of their areas
Clinton Parkway - Iowa to Dam				Noxious weed problems in non mowed areas / broadleaf weed seeds blowing
Kasold along wall south of Clinton Parkway				Round-up application is needed in areas that can not be mowed
Iowa - 19th to 21st along east side of road				Businesses often complain about weeds in front of their areas
				*** Converting to pesticide free requires budget enhancement funding

District #2				
Ludlam Park	5	2.0	Already is	
Clinton Park	4	3.0	2005	
19th & Haskell Park	4	5.0	2005	
Chaparral Park	4	1.0	2005	
Hand Park	4	0.5	2005	
Park Hills Park #1	5	5.0	2005	
Park Hill Park #2	5	1.0	2005	
Park Hill Park #3	5	1.0	2005	
Woody Park	5	3.0	2005	
Woody Practice Field	5	0.5	2005	
Stonegate Park	5	5.0	2005	
Martin Park	6	19.0	2005	
Naismith Valley Park	6	25.0	2005	
Marys Lake	6	55.0	2005	
Deerfield Park	4	10.0	2006***	
Deerfield Practice Field	5	1.0	2006***	Round-up is used to edge fences and backstops areas
Lawrence Tennis Center	3	2.0	2006***	School property - we don't control spraying program
Buford Watson Jr. Park	3	7.0	2006***	Round-up is used for edging and to control Bermuda
Veterans Park	3	4.0	2006***	Round-up is used for edging and to control Bermuda
South Park	3	14.0	2006***	Round-up is used for edging and to control Bermuda
Constant Park	3	4.0	2006***	Round-up is used for edging and to control Bermuda
Centennial Park(Pockets)	3	4.0	2006***	Round-up is used for edging and to control Bermuda
Water Tower Park	4	2.0	2006***	Bermuda grass problem, neighborhood concern over blowing weed seeds
