EAGLE BEND GOLF COURSE & LEARNING CENTER

1250 E 902 ROAD, (BELOW CLINTON LAKE DAM) (785) 748-0600

For information and questions regarding golf, contact John Morris, golf operations supervisor, jmorris@ci.lawrence.ks.us

Eagle Bend is owned and operated by the City of Lawrence's Parks and Recreation Department. The City received the land through a lease with the Army Corps of Engineers.

Eagle Bend is designed along the Wakarusa River channel located below the Clinton Reservoir Dam. As a member of the Audubon Cooperative Sanctuary program for golf courses, Eagle Bend is dedicated to continuing the preservation of the environment and habitat of wildlife. Much wild-life inhabits Eagle Bend, including rabbits, red foxes, coyotes, deer, quail, blue heron, muskrats, turtles, eagles, hawks, Canadian geese, woodpeckers, fish and snakes.

The first six holes on the course are open with few trees. The remaining holes are heavily wooded and sit in the shadow of the Wakarusa River. The bald eagle is indigenous to the area and played a major role in the naming of the course. During its construction, bald eagle sightings were plentiful and can still be seen in the fall and early spring. Since the river bends around the course, the name Eagle Bend was a natural. No signature hole is designated, but a consensus favors No. 16, a 560-yard, par 5 with a split fairway, and No. 17, an elevated 165-yard, par 3 with the river channel cutting across the entire front side of the green.

FACILITIES

18 holes of championship golf, a full service pro shop, snack bar, driving range, short-game facility, practice putting and chipping greens, club repair and custom club fitting and golf instruction by a PGA professional.

HOLE SPOTLIGHT: Hole 8

175 yards / Blue Tees • Par 3 • Handicap 9

The pressure doesn't let up on this long par 3 playing directly into the prevailing south wind. This hole requires a long iron or even fairway wood to reach the putting surface. The bunker and water will catch lots of balls, and out of bounds comes into play if you are over the green. A shot to the middle of this large green will usually result in a solid par.
